

Awake my soul Coffee Website

ABOUT

ABOUT PROJECT

The concept is created and designed for e-commerce related to a sale of speciality quality coffee and accessories. Its a place, where you can order a different coffee blends, equipment for brewing and various coffee sets. Its aim to bring a good vibes and good coffee brew to its customers.

OBJECTIVE

The point of concept was to create a pleasant and user-friendly website. To implement this idea, we were designed a functional and detailed filter in the catalog, a blog with useful information, the personal offers, a personal account for tracking orders and a simple model of payment for order.

TYPOGRAPHY & COLORS

KANIT

The chosen font is self-contained, versatile and readable. Even, clean, and almost monolinear, Kanit allow to do all the tasks associated with multi-page webste design.
